

Tech Savvy Camp

Girls Inc, Kolb Center

June 17 – 21, 2002

9AM – Noon

Schedule

Monday - Field Trip & Lunch

Tuesday - Building Soccer Robots

Wednesday – Robots Games

Thursday – Field Trip & Lunch

Friday – Technology Career Day

American Association of University Women and Soroptimist International are sponsoring a 4 day technology camp which is open to the girls who have participated our Girls Domain Technology Club. **Only 15 spaces are available (first come- first serve)**. If you will commit to having your daughter at the club all week, please bring registration to club and pick up permission slips for field trips. It is important the girls attend ALL the Monday – Thursday sessions. If there are reasons your daughter cannot do this, please just register her for the Friday session only. The Technology Career Day will be open to 100 girls and will present women in different fields in technology.
