Drawing the Line: Sexual Harassment on Campus (2006)

Nearly two-thirds of college students experience sexual harassment at some point during college, including nearly one-third of first year students, according to the AAUW Educational Foundation's research report on campus sexual harassment. The report describes the findings from a nationally representative survey of undergraduate college students conducted in the spring of 2005. This report provides useful information for creating a campus climate that is free from bias and harassment.
