

Event Committee
Program Vice President Report
July 12, 2006

The new Event Committee will become a vibrant inclusion to the AAUWNC Leadership role. To start the year, the Membership Vice President will be introducing AAUW Programs during contacts with C/U opportunities, participating in the NC conference for women in Charlotte, and the formation of a Student Affiliate group. The Diversity Chair will be networking with our program goal to “Open the Gate” by focusing on Equal Access to Justice, Statewide Mission Based Program Assessments, Membership Recruitment and Outreach, Education Equity and Life Long Learning, and Keeping the Connection. The Public Policy Advocacy Committee will lend us program insight to healthcare changes, research, and teaming with other supporting organizations. AAUWNC has a program for you. We can personally deliver, email, let us know your wishes. Remember: We can **Open The Gates for Women In Education and Economic Security.**
