

## AAUW NC History: Order Yours Now

The AAUW NC history is complete, thanks to Clara Allen, our historian. It is being published by the Chapel Hill Press and showcases North Carolina's long commitment to AAUW and its issues. Dedication and release will be an important part of the AAUW NC 75th State Convention, March 15-17.

AAUW NC members and branches are encouraged to order and pay in advance for copies of the history. You or your designee may pick them up at the Convention.

As well as each individual purchasing a copy for her own, copies of the history will make wonderful gifts and dedications. Every public library and school within each branch's area should have a dedicated copy. Branches may want to archive copies for future members. Past presidents and branch officers might be honored with a copy.

The history will also be a tool to publicize the efforts of individual branches and the issues for women and girls important to AAUW.

Send this order form with a check for \$15 per copy requested to Bobbie Edmisten, 202 Dogwood Forest Loop, Harmony, N.C. 28634. Payment must accompany the order.
