Stars and Hearts Afghan designed by Gerdine Crawford-Strong:  
*The original proposal was for a 'Hugs and Kisses' sweater for a toddler: the tot would look down to see the hugs and kisses that Mummy or Grannie had sent along for the day. An afghan with hugs, kisses, and hearts appeared on the design pad next; then September 11th—Stars, Stripes and Hearts. It was an honour, as a Canadian, to make this afghan.*
